

IF YOU ARE VISITING US WITH DOGS

At Finca Son Roig by Valentin all family members count, for this reason it is possible to enjoy our Finca in the heart of Mallorca accompanied by your dog.

Next, we show you all the information regarding the treatment of pets in our Finca:

- Companion animals or pets are understood to be dogs weighing 20 kilograms or less.
- The possibility of coming accompanied is totally subject to availability, for this reason, you must notify us through our contact telephone number or our email to check availability and give us the opportunity to prepare everything for your stay.
- To come accompanied by your dog it is necessary to book a Junior Suite or Suite for your convenience and comfort.
- The supplement is €10 per pet per day.
- We prepare homemade food for your dog for €4 (ingredients subject to availability).
- Room cleaning can only be done if it is outside the room.
- Your dog must always be restrained in the common areas, for the comfort of the other guests.
- For health reasons, they will not be able to access the pool area, the area with hammocks and Balinese beds.
- The owner guest is responsible for hygiene and the collection of stools.
- In case of damage to any other guest or to the furniture of the Finca, the owner will be responsible for compensation.

For any questions, ask at reception.
